## 1. Introduction

This policy statement sets out the school’s arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider’s education or training offer. This complies with the school’s legal obligations under section 42B of the Education Act 1997.

## 2. Pupil entitlement

All pupils in years 10 – 11 are entitled to:

- Find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- Understand how to make applications for the full range of academic and technical courses.

## 3. Management of provider access requests procedure

A provider wishing to request access should contact Jack Ghee, Teacher and Careers Leader on 01924 469170 or via email: [jghee@eat.uk.com](mailto:jghee@eat.uk.com).

**5. Premises and facilities**

The school will make the common room, classroom or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or another appropriate member of staff.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school.

The school will ensure that all students have access to provider prospectuses and other relevant information.
